Course description

Breast Cancer Coordinated Care (BC3) 2026 returns to Washington, D.C., as the definitive three-day symposium for multidisciplinary breast cancer coordinated care, bridging the gap between breast and plastic surgery, oncology, radiology, radiation oncology, pathology, physical therapy, occupational therapy, social work, nursing, and all fields related to breast cancer coordinated care. By evaluating successful care models and innovative approaches from major centers across the United States, this course tackles the field's most pressing controversies and moves to deconstruct siloed treatment approaches. Attendees will engage in high-level discussions on cutting-edge diagnostic tools and novel management strategies, with the collective goal of developing standardized, evidence-based protocols that redefine the standard of breast cancer coordinated care.

Learning objectives

- **Integrate an Interdisciplinary Care Model:** Identify the unique roles and responsibilities of each healthcare team member to foster a seamless, team-based approach for both the prevention and treatment of breast cancer.
- **Enhance Patient Communication:** Effectively explain the management of side effects from various breast cancer treatments to patients, ensuring better adherence and quality of life during survivorship.
- **Redefine the Nipple Sparing Mastectomy:** Current evolution of nipple sparing mastectomy can support direct to implant reconstruction with minimal complication profile. This leads to improvement in quality of life, decreased surgical burden, and cost savings for the health system.
- **De-escalate Surgical Treatment:** Identify current indications for radiation therapy and explain its evolving role in allowing for the de-escalation of more invasive surgical procedures.
- **Master Axillary Management:** Describe evidence-based options for the management of a positive sentinel lymph node biopsy, focusing on the transition from routine dissection to more targeted interventions.
- **Collaborate on Lymphedema Care:** Explain to practitioners the multidisciplinary prevention and management of lymphedema, including physiologic surgical options and the role of physical therapy in long-term risk reduction.
- **Evaluate Transgender Screening Protocols:** Identify appropriate breast cancer screening strategies for transgender patients, navigating the controversies surrounding hormonal impact on tissue and residual risk post-gender-affirming surgery.
- **Navigate Triple Negative Breast Cancer (TNBC):** Describe the latest neoadjuvant and adjuvant systemic therapies for TNBC and how these treatments influence subsequent surgical and reconstructive planning.
- **Assess Emerging Technologies:** Evaluate the role of artificial intelligence, liquid biopsy (ctDNA), and advanced imaging in the modern diagnosis and management of breast disease.
- **Analyze Socioeconomic Impacts:** Recognize the effects of financial toxicity and healthcare disparities on patient access to innovative care and reconstructive options.

Continuing education credit information

Target audience

This program is specifically designed to be a multidisciplinary program and is intended for a wide range of medical practitioners who are interested in the latest information regarding the local treatment of breast cancer. The program is purposely targeted for general, plastic, breast, and oncologic surgeons, as well as radiation and medical oncologists. It is also intended for primary care physicians, oncology nurses and practitioners, physical therapists, occupational therapists, genetic counselors, hospital administrators, and other members of the healthcare team who have an interest in the treatment of breast cancer patients.

Accreditation

In support of improving patient care, this activity has been planned and implemented by MedStar Health and Mt. Sinai. MedStar Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit designation

This activity was planned by and for the healthcare team, and learners will receive 18.0 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physicians: MedStar Health designates this live activity for a maximum of 18.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This activity is approved for 18.0 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Physical Therapists: An application will be submitted to the Maryland Board of Physical Therapy Examiners for continuing education credits. Once submitted, approval by the Board will be pending, however not guaranteed.

The agenda and credits available are subject to change.

Attention physician learners: To ensure accurate CME credit data reporting to participating state medical licensing boards/certifying boards, please log into CloudCME and click on My CE / Profile to review and update your profile with the following details: your full name, state of licensure (including number and expiration date), and your birth month and day. Additionally, please remember to check the box at the bottom of the profile screen to grant permission for us to report your completion data to ACCME and participating licensing/certifying boards.

Course directors

MEDSTAR GEORGETOWN UNIVERSITY HOSPITAL COURSE DIRECTORS:

Lucy De La Cruz, MD

Chief, Breast Surgery
Director, Ourisman Breast Center Director
Breast Surgery Service Line Lead
MedStar Georgetown University Hospital
Associate Professor, Surgery
Georgetown University School of Medicine
Washington, D.C.

Kenneth L. Fan, MD

Scientific Director, Plastic and Reconstructive Surgery
MedStar Health Research Institute
Attending Plastic Surgeon
MedStar Plastic and Reconstructive Surgery
Associate Professor, 4th Year Clerkship Director
Georgetown University School of Medicine
Washington, D.C.

MOUNT SINAI MEDICAL CENTER COURSE DIRECTORS:

David N. Anderson, MD

Breast Surgical Oncologist, Division of Breast Surgery
Dubin Breast Center
The Tisch Cancer Institute
Mount Sinai Health System
Assistant Professor, Surgery
Icahn School of Medicine at Mount Sinai
New York, NY

Elisa R. Port, MD

Chief, Breast Surgery
Mount Sinai Health System
Director, Dubin Breast Center
Mount Sinai Tisch Cancer Center
Director, Center of Excellence for Breast Cancer
Mount Sinai Tisch Cancer Center
Professor, Surgery
Icahn School of Medicine at Mount Sinai
New York, NY

Hani Sbitany, MD

Professor, Surgery
Division of Plastic and Reconstructive Surgery
Mount Sinai Medical Center
New York, NY

Peter J. Taub, MD, MS

System Chief, Plastic and Maxillofacial Surgery
Alfred and Florence Gross Professor of Surgery
Professor, Surgery, Pediatrics, Dentistry, Neurosurgery, and Medical Education
Icahn School of Medicine at Mount Sinai
New York, NY

Faculty

Rend Al-Khalili, MD

Associate Professor, Radiology
MedStar Georgetown University Hospital
Georgetown University School of Medicine
Washington, D.C.

Lidia Blay, MD, PhD

Breast Surgeon, Breast Unit
Department of General and Digestive Surgery
Hospital Universitari Germans Trias i Pujol
Associate Professor, Surgery
Universitat Autònoma de Barcelona
Barcelona, Spain

Rachel F. Brem, MD

Co-Founder and Chief Marketing Officer
The Brem Foundation
Professor, Radiology
George Washington University
Washington, D.C.

Abhishek Chatterjee, MD, MBA

Chief, Plastic Surgery
Professor, Surgery
Tufts Medical Center
Boston, MA

Erin P. Crane, MD

Director, Breast-Body Imaging Fellowship Program
MedStar Georgetown University Hospital
Associate Professor, Radiology
Georgetown University School of Medicine
Washington, D.C.

Victoria J. Croog, MD

Clinical Associate, Radiation Oncology and Molecular
Radiation Sciences
Sibley Memorial Hospital
Johns Hopkins University School of Medicine
Washington, D.C.

Gabriel Del Corral, MD

Director, MedStar Center for Gender Affirmation
MedStar Plastic & Reconstructive Surgery
MedStar Georgetown University Hospital
Professor, Plastic Surgery and Urologic Surgery
Georgetown University School of Medicine
Washington, D.C.

Lounes Djerroudi, MD, PhD

Pathologist
Diagnostic and Theranostic Medicine Division
Institut Curie
Paris, France

Giuseppe Esposito, MD, MBA

Chief, Nuclear Medicine and Positron Emission
Tomography-Computed Tomography (PET/CT)
MedStar Georgetown University Hospital
Professor, Radiology
Georgetown University School of Medicine
Washington, D.C.

Sheryl Green, MBBCh

Medical Director, Radiation Oncology
Professor, Radiation Oncology
Mount Sinai Medical Center
New York, NY

Malini Harigopal, MD

Breast Pathologist
Department of Pathology, Molecular and Cell-Based
Medicine
Icahn School of Medicine at Mount Sinai
New York, NY

Peter W. Henderson, MD, MBA

Director, Plastic Surgery Research
Division of Plastic and Reconstructive Surgery
Associate Professor, Surgery
Icahn School of Medicine at Mount Sinai
New York, NY

Kathleen Kiernan Harnden, MD, MBA

Vice President of Medical Staff
Inova Fairfax Hospital
Director, Breast Medical Oncology
D'Aniello Director of Breast Cancer Research
Inova Schar Cancer Institute
Assistant Professor, Medicine
University of Virginia
Fairfax, VA

KEYNOTE SPEAKER

Ashley Hendrix, MD, MBA

Breast Surgical Oncology
Regional One Health
Assistant Professor, Surgery
The University of Tennessee Health Science Center
Memphis, TN

Hanna Y. Irie, MD, PhD

Associate Professor, Medicine and Oncological Sciences
Icahn School of Medicine at Mount Sinai
New York, NY

Claudine Isaacs, MD

Associate Director, Clinical Research
Lombardi Comprehensive Cancer Center
MedStar Georgetown University Hospital
Professor, Medicine, and Oncology
Georgetown University
Washington, D.C.

Faculty

Katia Khoury, MD

Medical Oncologist, Breast Cancer Program
MedStar Georgetown University Hospital
Lombardi Comprehensive Cancer Center
Associate Professor, Medicine
Georgetown University
Washington, D.C.

Catherine L. Ly, MD

Assistant Professor, Surgery, Division of Plastic and Reconstructive Surgery
Columbia University Medical Center
Plastic and Reconstructive Surgeon
New York-Presbyterian Hospital
New York, NY

Candace B. Mainor, MD

Associate Program Director, Hematology-Oncology Fellowship
Leader, Breast Research Disease Group
Lombardi Comprehensive Cancer Center
MedStar Georgetown University Hospital
Assistant Professor, Medicine, Hematology-Oncology Division
Georgetown University School of Medicine
Washington, D.C.

Johanna C. Murphy, PT, MS, CLT

Director, Rehabilitation Services
MedStar Georgetown University Hospital
MedStar Health Physical Therapy at Palisades
Washington, D.C.

Lisa A. Newman, MD, MPH

Chief, Breast Surgery
New York-Presbyterian
Weill Cornell Medical Center
Leader, Multidisciplinary Breast Oncology Programs
New York-Presbyterian David H. Koch Center
Founding Medical Director
International Center for the Study of Breast Cancer Subtypes (ICSBCS)
Professor, Surgery
Weill Cornell Medicine
New York, NY

Vu T. Nguyen, MD

Health Scienced Endowed Chair in Plastic Surgery Education
Program Director, Integrated & Independent Plastic Surgery Residency Program
Professor, Plastic Surgery
University of Pittsburgh School of Medicine
Pittsburgh, PA

Anne W. Peled, MD

Plastic and Reconstructive Surgery, Breast Surgery
Sutter Health California Pacific Medical Center
San Francisco, CA

Sonali Rudra, MD

Director, Breast Cancer Radiation Oncology Program
MedStar Georgetown University Hospital
Associate Professor, Radiation Medicine
Georgetown University School of Medicine
Washington, D.C.

John W. Shuck, MD

Associate Professor, Plastic Surgery
The University of Texas MD Anderson Cancer Center
Houston, TX

Jennifer D. Son, MD

Director, Breast Health Center
MedStar Montgomery Medical Center
Olney, MD
Assistant Professor, Surgery
Georgetown University School of Medicine
Washington, D.C.

KEYNOTE SPEAKER

David H. Song, MD, MBA

Chief Medical Officer and Vice President of Medical Affairs
MedStar Georgetown University Hospital
Physician Executive Director, MedStar Health Perioperative Service Line
MedStar Health Washington Region
Washington, D.C.

Judy H. Song, MD

Chief, Breast Imaging
Department of Radiology
MedStar Georgetown University Hospital
Associate Professor, Radiology
Georgetown University School of Medicine
Washington, D.C.

Neil K. Taunk, MD, MSCTS

Chief, Breast Radiation Service & Gynecologic Radiation Service
Director, Imaging Sciences in Radiation Oncology & Brachytherapy and Procedural Radiation
The University of Pennsylvania
Associate Professor, Radiation Oncology
University of Pennsylvania School of Medicine
Philadelphia, PA

Amy Tiersten, MD

Clinical Director, Breast Medical Oncology
Professor, Medicine
Icahn School of Medicine at Mount Sinai
New York, NY

Angelis M. Vazquez Perez, MD

Breast Surgical Oncologist and General Surgeon
Georgetown Lombardi Comprehensive Cancer Center
MedStar Georgetown University Hospital
Washington, D.C.

Anna Weiss, MD

Breast Cancer Surgeon
Associate Professor, Surgery
Pluta Professor, Surgery
University of Rochester Medicine
Rochester, NY

Jay C. Zeck, MD

Director, Clinical Laboratories
MedStar Georgetown University Hospital
Professor, Pathology
Georgetown University School of Medicine
Washington, D.C.

Agenda | Friday, November 6

7:00 a.m. **Registration and Continental Breakfast and Visit the Exhibits**

7:50 a.m. **Welcome Remarks**
Kenneth L. Fan, MD; Hani Sbitany, MD

SESSION I: Patient-facing
Moderator: Lucy De La Cruz, MD

8:00 a.m. **Previvor Perspective**
TBD

8:15 a.m. **Going Flat: Patient Experience and Advocacy**
TBD

8:30 a.m. **Patient Advocacy: How to Fight for Yourself in the Medical System**
TBD

8:45 a.m. **Shared Decision Making: Patient Surgeon Partnership**
Elisa R. Port, MD

9:00 a.m. **Panel Discussion**
Moderator: Lucy De La Cruz, MD
Panelist: E. Port

9:15 a.m. **KEYNOTE LECTURE:**
Building the Future: Coordinated Care from Vision to Reality
David H. Song, MD, MBA

10:00 a.m. **Optimizing Functional Recovery After Breast Cancer Surgery: The Role of Rehabilitation**
Johanna C. Murphy, PT, MS, CLT

10:15 a.m. **Coffee Break and Visit the Exhibits**

SESSION II: Integrated Medicine in Breast Cancer

10:45 a.m. **Sexual Health, Oncofertility & Hormone Replacement Therapy**
TBD

11:15 a.m. **Mitigating Side Effects: Acupuncture, Cryotherapy, Lifestyle**
TBD

11:30 a.m. **Survivorship Clinic: The MedStar Approach**
Lucy De La Cruz, MD

11:45 a.m. **Panel Discussion**
Moderator: TBD
Panelist: L. De La Cruz, J. Murphy

12:00 p.m. **Break and Transition to Lunch Symposium**

12:15 p.m. **Lunch Symposium I**

SESSION III: Advances in Breast Cancer Pathology and Biomarkers
Moderator: Malini Harigopal, MD

1:00 p.m. **An Overview of the Diagnostic Challenges of High -Risk Lesions**
Malini Harigopal, MD

1:15 p.m. **Positron Emission Tomography (PET) Characterization of Estrogen Receptor Status: Role in the Management of Breast Cancer**
Giuseppe Esposito, MD, MBA

1:30 p.m. **High-Risk Lesions: Pathology Update 2026**
Jay C. Zeck, MD

1:45 p.m. **Molecular Subtyping of Breast Cancer: Clinical Implications**
Lounes Djerroudi, MD, PhD

2:00 p.m. **Panel Discussion**
Moderator: Malini Harigopal, MD
Panelists: L. Djerroudi, G. Esposito, J. Zeck

2:15 p.m. **Coffee Break and Visit the Exhibits**

SESSION IV: Equity Access and Disparities in Breast Cancer Care
Moderator: Jennifer D. Son, MD

2:45 p.m. **Screening in the Transgender Population**
Gabriel Del Corral, MD

3:00 p.m. **Reducing Disparities in Breast Cancer**
Jennifer D. Son, MD

Agenda | Friday, November 6

- 3:15 p.m. **Ensuring Access to Care**
Catherine L. Ly, MD
- 3:30 p.m. **Race, Ancestry, and Immune Biology in Breast Cancer**
Lisa A. Newman, MD, MPH
- 3:45 p.m. **Panel Discussion**
Moderator: Jennifer D. Son, MD
Panelists: G. Corral, L. Newman, C. Ly

- 4:00 p.m. **Coffee Break and Visit the Exhibitors**

SESSION V: Precision Medicine and Approaches to Systemic Therapy Moderator: Claudine Isaacs, MD

- 4:15 p.m. **De-escalation of Systemic Therapy**
Amy Tiersten, MD
- 4:30 p.m. **Oral Selective Estrogen Receptor Degraders (SERDs)**
Kathleen Kiernan Harnden, MD, MBA
- 4:45 p.m. **Treatment Options for Triple-Negative Breast Cancer**
Hanna Y. Irie, MD, PhD

- 5:00 p.m. **HER2+ Breast Cancer: Trastuzumab Deruxtecan (T-DXd) and Novel Antibody-Drug Conjugates (ADCs)**
Katia Khoury, MD

- 5:15 p.m. **Panel Discussion**
Moderator: Claudine Isaacs, MD
Panelists: K. Harnden, H. Irie, K. Katia, A. Tiersten

- 5:30 p.m. **Day One Closing Remarks**
Kenneth L. Fan, MD

- 5:35 p.m. **Adjourn**

- 5:40 p.m. **Welcome Reception with Exhibitors**

We invite you to our Welcome Reception, where you can reconnect with colleagues, meet fellow attendees and faculty, and enjoy drinks and light fare in a relaxed setting. It's an excellent opportunity to network and prepare for an engaging conference experience.

Agenda | Saturday, November 7

7:00 a.m. **Registration and Continental Breakfast and Visit the Exhibits**

7:50 a.m. **Day Two Opening Remarks**
Lucy De La Cruz, MD
Elisa R. Port, MD

SESSION VI: Radiation Oncology
Moderator: Sonali Rudra, MD

8:00 a.m. **Partial Breast Irradiation: New Guidelines**
Sheryl Green, MBBCh

8:15 a.m. **Reconstruction Considerations After Breast Irradiation**
John W. Shuck, MD

8:30 a.m. **Proton Therapy: Where Are We Now?**
Neil K. Taunk, MD, MSCTS

8:45 a.m. **De-escalation of Radiation: The Danish Breast Cancer Group (DBCG) Trial Update**
Sonali Rudra, MD

9:00 a.m. **Panel Discussion**
Moderator: Sonali Rudra, MD
Panelists: S. Green, J. Shuck, N. Taunk

9:15 a.m. **Coffee Break and Visit the Exhibits**

SESSION VII: Diagnostic Radiology: Updates in Breast Imaging
Moderator: Rend Al-Khalili, MD

9:45 a.m. **Contrast-Enhanced Mammography: Evidence and Guidelines**
Judy H. Song, MD

10:00 a.m. **Rethinking Breast MRI: Faster but Not Lesser**
Rend Al-Khalili, MD

10:15 a.m. **AI in Breast Imaging: 2026 Update and Clinical Integration**
Erin P. Crane, MD

10:30 a.m. **AI and Healthcare Equity**
Rachel F. Brem, MD

10:45 a.m. **Panel Discussion**
Moderator: Rend Al-Khalili, MD
Panelists: J. Song, E. Crane, R. Brem

11:00 a.m. **Break and Transition to Lunch Symposium**

11:15 a.m. **Lunch Symposium II**

12:00 p.m. **KEYNOTE LECTURE: Pixels to Prognosis: AI's Growing Role in Breast Care**
Ashley Hendrix, MD, MBA

SESSION VIII: Surgical Oncology: Current Challenge and Innovations
Moderator: Lucy De La Cruz, MD

1:00 p.m. **Prophylactic Mastectomy: When to Start and When to Stop**
Elisa R. Port, MD

1:15 p.m. **Structural Mastectomy: Technique Video**
Lucy De La Cruz, MD

1:30 p.m. **Current Breast Surgery Clinical Trials**
Anna Weiss, MD

1:45 p.m. **Oncoplastic Surgery for the Breast Surgeon**
Abhishek Chatterjee, MD, MBA

2:00 p.m. **Panel Discussion**
Moderator: Lucy De La Cruz, MD
Panelist: A. Chatterjee, E. Port, A. Weiss

2:15 p.m. **Coffee Break and Visit the Exhibits**

SESSION IX: Reconstruction
Moderator: Peter J. Taub, MD, MS

2:45 p.m. **Long-Term Outcomes Data and Technical Advances in NAC Neurotization**
Anne W. Peled, MD

3:00 p.m. **Robotic Breast Reconstruction: Lessons Learned from My First 100 Cases**
John W. Shuck, MD

3:15 p.m. **Robotic Lymphaticovenous Bypass**
Peter W. Henderson, MD, MBA

3:30 p.m. **Structural Mastectomy: Reconstruction Considerations**
Kenneth L. Fan, MD

3:45 p.m. **Panel Discussion**
Moderator: Peter J. Taub, MD, MS
Panelists: K. Fan, P. Henderson, A. Peled, J. Shuck

4:00 p.m. **Closing Remarks Day Two**
Peter J. Taub, MD, MS

4:05 p.m. **Adjourn**

Agenda | Sunday, November 8

7:00 a.m.	Registration and Continental Breakfast and Visit the Exhibits	10:30 a.m.	De-Escalation of Axillary Dissection David N. Anderson, MD
7:30 a.m.	Surgical Technique and Skills Cadaver Lab led by BC3 faculty Kenneth L. Fan, MD; Peter W. Henderson, MD, MBA; Lucy De La Cruz, MD; Elisa R. Port, MD <i>Pre-registration is required. This lab is not certified for continuing education credits.</i>	10:45 a.m.	Panel Discussion Moderator: Elisa R. Port, MD Panelists: D. Anderson, V. Croog, C. Isaacs, V. Nguyen, A. Vazquez Perez
9:00 a.m.	Coffee Break and Visit the Exhibits	SESSION XI: How I Do It: Technical Innovations	
9:20 a.m.	Day Three Welcome Remarks Elisa R. Port, MD	11:00 a.m.	How I Do It: Robotic Mayo Experience TBD
SESSION X: Controversies in Breast Management Moderator: Elisa R. Port, MD		11:15 a.m.	European Experience with Laparoscopic Nipple-Sparing Mastectomy Lidia Blay, MD, PhD
9:30 a.m.	Surgical Controversies in Breast Cancer: Sentinel Lymph Node Surgery vs. Omission Angelis M. Vazquez Perez, MD	11:30 a.m.	How I Do It: Robotic Georgetown Experience Lucy De La Cruz, MD
9:45 a.m.	Direct to Implant vs Tissue Expander Vu T. Nguyen, MD	11:45 a.m.	Technical Pearls of Breast Reinnervation TBD
10:00 a.m.	B51 Trial: To Radiate or Not Radiate Victoria J. Croog, MD	12:00 p.m.	Prepectoral Reconstruction: Technical Hani Sbitany, MD
10:15 a.m.	Offset Trial - Chemotherapy vs Ovarian Suppression in Premenopausal Positive Low Oncotype Patients Claudine Isaacs, MD	12:15 p.m.	Panel Discussion Moderator: TBD Panelists: L. Blay, L. De La Cruz, H. Sbitany
		12:30 p.m.	Closing Remarks TBD
		12:35 p.m.	Adjourn

Add on a Cadaver Lab experience!

Join us for an in-depth cadaver lab experience at BC3, designed to advance surgical knowledge through hands-on learning. Participants will have the opportunity to join interactive stations led by distinguished faculty, gaining practical experience with the latest techniques in breast oncology and reconstruction. We will focus on ligament sparing nipple sparing mastectomy and nerve preservation techniques. This unique educational opportunity combines expert instruction, real-time discussion, and advanced anatomical training in an intimate, collaborative setting.

Add this to your registration to confirm your spot!

Call for abstracts

MedStar Health is pleased to invite you to submit an abstract for presentation at the Breast Cancer Coordinated Care (BC3) 2026 conference. This is an excellent opportunity for you and your colleagues to share your latest work and research with world-renowned experts in the field!

Abstracts will be reviewed and selected on the basis of their scientific merit and content quality. Submitted abstracts meeting the eligibility requirements will be considered for poster presentations on November 6 to 8, 2026. The top five (5) abstracts will also be selected to present orally during the Oral Abstract Poster Presentation Symposium on Friday, November 6.

We invite you to participate by submitting a 250-word abstract, which should describe work with relevance to Breast Cancer Coordinated Care.

All material presented in the abstract must be current, relevant and free from ethical bias. Company logos of the supporting company are prohibited on any part of the presentation. All abstracts received will be considered to be presented as POSTER ABSTRACTS during the conference.

Submission Deadline: September 11, 2026

Venue information

Omni Shoreham Hotel

2500 Calvert St NW, Washington, DC 20008

Reservation line: 1-800-THE-OMNI

Room block rate: \$239 + applicable tax

Please reference Breast Cancer Coordinated Care (BC3) when making reservations.

Reservation link: <https://bookings.omnihotels.com/event/washington-dc-shoreham/breast-cancer-coordinated-care-bc3-%20%5bbookings.omnihotels.com%5d>

Room block cutoff date: October 8, 2026
