David Anderson, MD

Mount Sinai Medical Center
New York, NY

Hani Sbitany, MD

Mount Sinai Medical Center
New York, NY

Peter J. Taub, MD, MS

Icahn School of Medicine at Mount Sinai
New York City, NY

BC3 returns to Washington, D.C., as the definitive three-day symposium for multidisciplinary breast cancer coordinated care, bridging the gap between breast and plastic surgery, oncology, radiology, radiation oncology, pathology, physical therapy, occupational therapy, social work, nursing, and all fields related to breast cancer coordinated care. By evaluating successful care models and innovative approaches from major centers across the United States, this course tackles the field's most pressing controversies and moves to deconstruct siloed treatment approaches. Attendees will engage in high-level discussions on cutting-edge diagnostic tools and novel management strategies, with the collective goal of developing standardized, evidence-based protocols that redefine the standard of breast cancer coordinated care.

Three exciting days of educational content:

DAY ONE:

SESSION I: Patient-facing

SESSION II: Integrated Medicine in Breast Cancer

SESSION III: Advances in Breast Cancer Pathology and Biomarker

SESSION IV: Equity Access and Disparities in Breast Cancer Care

SESSION V: Precision Medicine and Approaches to Systemic Therapy

DAY TWO:

SESSION VI: Radiation Oncology

SESSION VII: Diagnostic Radiology: AI in Imaging

SESSION VIII: Surgical Oncology - Current Challenge and Innovations

SESSION IX: Reconstruction

DAY THREE:

HANDS ON CADAVER LAB – Preregistration required

SESSION X: Controversies in Breast Management

SESSION XI: How I Do It - Technical Innovations

Accreditation

In support of improving patient care, this activity has been planned and implemented by MedStar Health and Mt. Sinai. MedStar Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit designation

This activity was planned by and for the healthcare team, and learners will receive 18.0 Interprofessional Continuing Education (IPCE) credits for learning and change.

Physicians: MedStar Health designates this live activity for a maximum of 18.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This activity is approved for 18.0 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Physical Therapists: An application will be submitted to the Maryland Board of Physical Therapy Examiners for continuing education credits. Once submitted, approval by the Board will be pending, however not guaranteed.
