

Point of Care Ultrasound (POCUS) 2-Day Foundational Multi-System Course

November 19-20, 2026 • 7:30 a.m. to 5 p.m.
MedStar Georgetown University Hospital Sim Center
3800 Reservoir Rd. NW, OR Level – CCC Building
Washington, DC 20007

About this course

A two-day blended learning course with didactic lectures, hands-on sessions, and pathologic image interpretation. Topics include cardiac, pulmonary, gastrointestinal, urinary, and vascular sonography.

- Interact with experienced faculty and hone your skills with live patient models and the latest ultrasound technology available at MedStar Health.
- Gain interprofessional continuing education (IPCE) credits and access to online learning modules (1.25 CE).
- Attend an approved regional course for the SHM | CHEST Certificate of Completion (COC) pathway.

Our POCUS program welcomes attending **physicians**, residents, and fellows who want to deepen their diagnostic capabilities, as well as **advanced practice providers**, including **nurse practitioners** and **physician assistants**, seeking hands-on experience with ultrasound at the bedside.

Registration cost

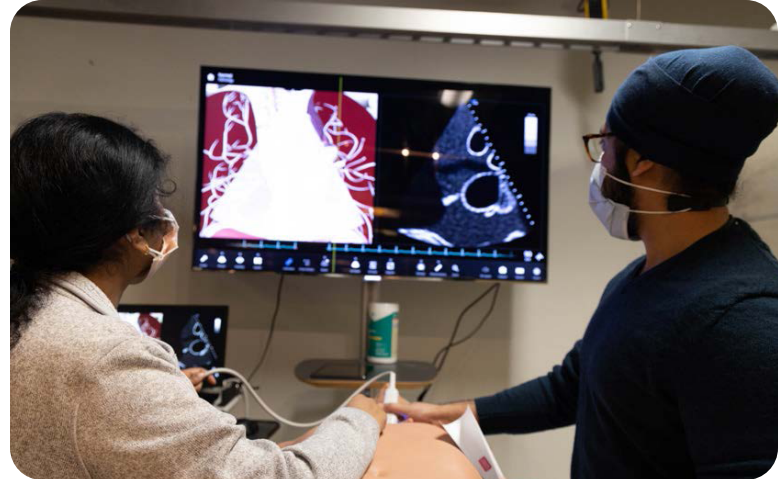

\$2,250. A pre-arranged discount might be available based upon your organizational affiliation.
