The diagnosis and treatment of Pediatric Autoimmune Neuropsychiatric Disorders Associated with Streptococcal infections (PANDAS) and Pediatric Acute-onset Neuropsychiatric Syndrome (PANS - Now referred to as autoimmune encephalitis) remain important challenges in pediatric medicine as children continue to present from the debilitating symptoms of both disorders. This conference is aimed at reviewing this disorder as has it evolved over the past 20 years, to update pediatricians on the front lines, to arm them with the latest evaluation treatment guidelines, and, to inform them of the ongoing research as it is happening. This conference strives to present these topics in an organized, concise, and complete manner to educate physicians and healthcare practitioners who may encounter children suffering from PANDAS/PANS.

CE INFORMATION

CE Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, MedStar Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE) and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.
