

Continuing Education Credit Information

Course Description

Many patient visits to primary care providers are for complaints related to the ear, nose, and throat. With the ever evolving guidelines for managing common ENT disorders, it can be difficult to keep abreast of these changes. This one-day course will improve primary care practitioners' comfort in treating ear, nose, and throat conditions, by covering the latest management strategies, technologies, and techniques for treating these conditions. It will help attendees identify indications to refer patients to specialists, and become familiar with treatment options in ENT that are available so that physicians can educate patients prior to treatment.

Learning Objectives

- Describe key points in the management of hearing loss and balance disorders
- Identify indications for tonsillectomy and ear tubes in the pediatric and adult population
- Evaluate and manage voice and airway complaints
- Effectively manage Obstructive Sleep Apnea (OSA)
- Identify important features in the diagnosis of head and neck tumors
- Determine when to refer a patient to an ENT specialist, and educate patients about potential treatment options that may be discussed
- Manage common ENT complaints including allergic rhinitis and sinusitis
- Identify indications for patients who are considering facial plastic surgery procedures

Target Audience

This conference is intended for family practice and primary care physicians, emergency medicine physicians, residents, fellows, medical students, nurses, nurse practitioners, physician assistants, and other members of the healthcare team interested in the management of ear, nose, and throat disorders.

Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, MedStar Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), the American Nurses Credentialing Center (ANCC) and the American Academy of PAs (AAPA) to provide continuing education for the healthcare team.

Credit Designation

MedStar Health designates this live activity for a maximum of 7 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For Nurses: For the purpose of recertification, the American Nurses Credentialing Center (ANCC) accepts *AMA PRA Category 1 Credits™* issued by organizations accredited by the ACCME. Nurses who attend a Category 1 CME certified activity can complete the continuing education hours section of the ANCC Professional Development Record in order to document the courses attended and the hours obtained.

Agenda

7:00 a.m. Registration and Continental Breakfast

7:50 a.m. Welcome and Introduction

SESSION 1: Head and Neck

8:00 a.m. Management of Thyroid and Parathyroid Disorders

Bruce J. Davidson, MD

8:20 a.m. The Epidemic of HPV-Associated Cancers in ENT

Matthew L. Pierce, MD

8:35 a.m. Oral Cavity Lesions: Diagnosis and Treatment

Jonathan Giurintano, MD

8:50 a.m. Panel Discussion

SESSION 2: Pediatrics and General Otolaryngology

9:00 a.m. Panel Discussion: Pediatrics and General Otolaryngology

Kaashif Eazazuddin, DO
Earl H. Harley, Jr., MD
Gregory J. Milmo, MD
Meena Seshamani, MD, PhD

9:45 a.m. Break and Visit the Exhibitors

SESSION 3: Sinus and Nasal Disorders

10:00 a.m. Sinus Masqueraders and Headache in ENT

Tim R. DeKlotz, MD

10:20 a.m. Sinusitis and Balloon Sinuplasty

Eugenia Chu, MD

10:40 a.m. Allergic Rhinitis

Suzette K. Mikula, MD

11:00 a.m. Epistaxis Diagnosis and Management

Norman A. Lester, MD

11:20 a.m. Nasal Obstruction: What to Do if Nasal Steroids Aren't Enough

Seema M. Pai, MD, MPH

11:40 a.m. Panel Discussion

12:00 p.m. Lunch and Visit the Exhibitors

SESSION 4: Voice and Airway

1:00 p.m. Evaluating the Hoarse Patient

Nazaneen N. Grant, MD

1:20 p.m. Alternatives to CPAP in Managing Obstructive Sleep Apnea

Stanley H. Chia, MD

1:40 p.m. Panel Discussion

SESSION 5: Rhinoplasty, Face Lifts, Botox and Fillers

1:50 p.m. Panel Discussion: What Patients Should Know About Rhinoplasty, Face Lifts, Botox and Fillers

Eugenia Chu, MD
Suzette K. Mikula, MD
Seema M. Pai, MD, MPH
Michael J. Reilly, MD

SESSION 6: Neurotological Disorders in ENT

2:20 p.m. Urgent Issues in ENT: Sudden Hearing Loss

Selena E. Briggs, MD, PhD, MBA

2:40 p.m. Urgent Issues in ENT: Sudden Facial Paralysis

Michael J. Reilly, MD

3:00 p.m. Eustachian Tube Dysfunction: Current Management Strategies

Michael Hoa, MD

3:20 p.m. Advances in Cochlear Implantation

H. Jeffrey Kim, MD

3:45 p.m. Panel Discussion

4:00 p.m. Closing Remarks and Adjourn

Registration Information

Registration Fees	Early Bird Rate Now through Sept. 14	Sept. 15 - Oct. 19	On-Site
