Learning Objectives

Kidney Cancer
• Discuss current status of adjuvant therapy for patients with high risk kidney cancer
• Analyze treatment options for second line therapy for VEGFR TKI resistance kidney cancer
• Evaluate the role of oncologic therapy alone and in combination for patients with kidney cancer
• Evaluate the role of surgery in the management of patients with all stages of kidney cancer
• Analyze current controversies in clinical management issues and clinical research opportunities

Bladder Cancer
• Describe the evaluation and management of recurrent non-muscle invasive bladder cancer
• Evaluate molecular advances in urothelial carcinoma that support personalized bladder cancer management strategies
• Describe the evolution of immunotherapy in the treatment of advanced urothelial cancer
• Utilize appropriate multidisciplinary adjuvant therapy approaches for muscle invasive bladder cancer
• Analyze critical clinical questions in urothelial carcinoma that are being addressed by clinical research

Target Audience
This conference is intended for urologists, medical oncologists, radiation oncologists, nurses, advanced practice clinicians, residents, fellows and healthcare practitioners interested in the biology and management of kidney and bladder cancers.

CME Accreditation
MedStar Georgetown University Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACME) to provide continuing medical education for physicians.

CME Designation
MedStar Georgetown University Hospital designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of Financial Relationships with any Commercial Interest
As a provider accredited by the ACME, it is the policy of MedStar Georgetown University Hospital to require that everyone who is in a position to control the content of an educational activity disclose all relevant financial relationships with any commercial interest. The ACCME considers relationships of the person involved in the CME activity to include financial relationships of a spouse or partner. Any individual who refuses to disclose relevant financial relationships will be disqualified from participating in the CME activity. For an individual with no relevant financial relationships, the participants must be informed that no conflicts of interest or financial relationships exist.
