

LUNG CANCER 2017: *Progress and Future Directions*

November 4, 2017 | Renaissance Washington, DC Dupont Circle Hotel

COURSE DIRECTORS:

Deepa S. Subramaniam, MD, MSc

Georgetown Lombardi Comprehensive Cancer Center
MedStar Georgetown University Hospital
Washington, DC

Giuseppe Giaccone, MD, PhD

MedStar Georgetown Cancer Network
Georgetown Lombardi Comprehensive Cancer Center
MedStar Georgetown University Hospital
Washington, DC

MedStar Georgetown
University Hospital
Lombardi Comprehensive
Cancer Center

Conquering Thoracic Cancers Worldwide
INTERNATIONAL ASSOCIATION FOR THE STUDY OF LUNG CANCER

CME INFORMATION

COURSE DESCRIPTION

This one-day symposium will provide a comprehensive update on recent advances in the care of patients with thoracic malignancies. There is increasing recognition of a gap between evidence-based guidelines and clinical practice, with research demonstrating that up to 40% of patients fail to receive effective therapies and 20% of patients receive therapies that are ineffective or even harmful. Reducing these gaps leads to reduction in patient morbidity and mortality, and decreased health care costs. With the rapid advances in thoracic oncology, this symposium attempts to crystallize current knowledge and provide critical information and key take-home points to the busy practicing clinician involved in the care of patients with thoracic malignancies. Focus topics will include the identification of patients at high-risk for lung cancer, understanding the coming changes to lung cancer staging using the IASLC 8th edition guidelines, patient selection for multi-modality therapy in lung cancer, mesothelioma and thymomas, management of patients with a spectrum of neuro-endocrine thoracic tumors, and recent advances in immuno-oncology and targeted therapies in lung cancer. This annual one day conference will review all of the recent advances in a highly interactive case-based discussion format, supported by didactic lectures by thought leaders and other well-respected faculty in each field.

LEARNING OBJECTIVES

- Apply the 8th edition of the IASLC staging system and utilize appropriate staging modalities to arrive at the correct stage to guide evidence-based treatment options
- Identify lung cancer patients who are candidates for sublobar resection or proton beam therapy
- Analyze different technologies and processes utilized to maximize the efficiency of molecular profiling in thoracic oncology as it pertains to CAP guidelines for optimal biopsy considerations, tissue processing and test ordering sequence, and optimal turn-around-time for results
- Utilize the latest evidence-based recommendations regarding utilization of biomarkers including PDL-1 testing and next generation sequencing to optimally sequence treatment options in non-small cell lung cancer
- Explain the evolving data pertaining to immuno-oncology in lung cancer with emphasis on appropriate sequencing with chemotherapy and the role of potential biomarkers for immunotherapy
- Discuss recent advances and future directions in the development of targeted therapies for lung cancer
- Identify patient selection for multi-modality therapies with focus on small cell lung cancer, mesothelioma and thymoma

TARGET AUDIENCE

This conference is intended for pulmonologists, oncologists, pathologists, nuclear medicine technologists, medical and radiation oncologists, interventional radiologists, thoracic surgeons, residents, fellows, nurse practitioners, physician assistants, nurses, and medical students.

CME ACCREDITATION

MedStar Georgetown University Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

MedStar Georgetown University Hospital designates this live activity for a maximum of 6.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For Nurses: For the purpose of recertification, the American Nurses Credentialing Center (ANCC) accepts *AMA PRA Category 1 Credits™* issued by organizations accredited by the ACCME. Nurses who attend a Category 1 CME certified activity can complete the continuing education hours section of the ANCC Professional Development Record in order to document the courses attended and the hours obtained.

FACULTY LIST

COURSE DIRECTORS

Deepa S. Subramaniam, MD, MSc

Director, Multidisciplinary Thoracic Oncology Clinic
Full Member, Clinical & Experimental
Therapeutics Program
Georgetown Lombardi Comprehensive Cancer Center
MedStar Georgetown University Hospital
Washington, DC

Giuseppe Giaccone, MD, PhD

Director, Clinical Research
MedStar Georgetown Cancer Network
Associate Director, Clinical Research
Georgetown Lombardi Comprehensive Cancer Center
MedStar Georgetown University Hospital
Washington, DC

FACULTY

Valsamo Anagnostou, MD, PhD

Instructor, Oncology
Upper Aerodigestive Oncology Program
Sidney Kimmel Comprehensive Cancer Center
Johns Hopkins University School of Medicine
Baltimore, MD

Eric D. Anderson, MD

Director, Interventional Pulmonology
MedStar Georgetown University Hospital
Washington, DC

Julie R. Brahmer, MD, MSc

Director, Thoracic Oncology Program
Interim Director
The Sidney Kimmel Comprehensive Cancer Center at
Johns Hopkins Bayview
Associate Professor, Oncology
Johns Hopkins School of Medicine
Baltimore, MD

Alexander Drilon, MD

Clinical Director, Early Drug Development Service
Assistant Attending Physician, Thoracic Oncology Service
Memorial Sloan Kettering Cancer Center
New York, NY

Raffit Hassan, MD

Co-Chief, Thoracic and Gastrointestinal Oncology Branch
Senior Investigator, Head, Thoracic and Solid Tumor Immunotherapy Section
National Institutes of Health
Bethesda, MD

Fred R. Hirsch, MD, PhD

Chief Executive Officer
International Association for the Study of Lung Cancer Associate Director
University of Colorado Cancer Center
Professor, Medicine and Pathology
University of Colorado Denver School of Medicine
Aurora, CO

Stephen V. Liu, MD

Thoracic Medical Oncologist
Georgetown Lombardi Comprehensive Cancer Center
MedStar Georgetown University Hospital
Assistant Professor, Medicine
Georgetown University Medical Center
Washington, DC

Anish Thomas, MD, MBBS

Staff Clinician, Developmental Therapeutics Branch
National Institutes of Health
Bethesda, MD

Abigail Tripp Berman, MD, MSCE

Associate Director, Clinical
Penn Center for Precision Medicine
Assistant Professor, Radiation Oncology
Hospital of the University of Pennsylvania
Philadelphia, PA

Thomas J. Watson, MD

Regional Chief, MedStar Washington Integrated
Surgery Service
MedStar Georgetown University Hospital
MedStar Washington Hospital Center
Professor, Surgery
Georgetown University Medical Center
Washington, DC

AGENDA

7:15 AM **Registration and Continental Breakfast**

8:00 AM **Welcome Remarks**
Deepa S. Subramaniam, MD, MSc

SESSION I

Moderator: Eric D. Anderson, MD

8:15 AM **Case Presentation**

8:25 AM **Updates and Changes to Lung Cancer Staging in the IASLC 8th Edition Staging System**
Eric D. Anderson, MD

8:45 AM **Recent Updates: Lobar vs. Sublobar Resection in Lung Cancer**
Thomas J. Watson, MD

9:05 AM **Proton Beam Radiation in Thoracic Oncology: A Niche Area or Widespread Application?**
Abigail Tripp Berman, MD, MSCE

9:25 AM **Panel Discussion**
Moderator: Eric D. Anderson, MD
Panelists: A. Tripp Berman, T. Watson

9:45 AM **Break and Visit the Exhibits**

SESSION II

Moderator: Deepa S. Subramaniam, MD, MSc

10:05 AM **Case Presentation**

10:15 AM **Harmonization of Companion Diagnostics: Vagaries of PDL 1 Testing and Other Biomarkers in Immuno-oncology**
Fred R. Hirsch, MD, PhD

10:35 AM **Comprehensive Molecular Profiling: Expanding Therapeutic Options in NSCLCs**
Alexander Drilon, MD

10:55 AM **Blood-Based Biomarkers Including Circulating Tumor DNA Testing in Lung Cancer**
Valsamo Anagnostou, MD, PhD

11:15 AM **Panel Discussion**
Moderator: Deepa S. Subramaniam, MD, MSc
Panelists: V. Anagnostou, A. Drilon, F. Hirsch,

11:35 AM **Lunch and Visit the Exhibits**

SESSION III

Moderator: Stephen V. Liu, MD

12:35 PM **Case Presentation**

12:45 PM **Progress and Future Directions in Small Cell Lung Cancer**
Anish Thomas, MD, MBBS

1:05 PM **Advances in the Treatment of Thymomas and Thymic Carcinomas**
Giuseppe Giaccone, MD, PhD

1:25 PM **Updates in the Management of Mesothelioma**
Raffit Hassan, MD

1:45 PM **Panel Discussion**
Moderator: Stephen V. Liu, MD
Panelists: G. Giaccone, R. Hassan, A. Thomas

SESSION IV

Moderator: Giuseppe Giaccone, MD, PhD

2:05 PM **Case Presentation**

2:15 PM **Updates in Immunotherapy for Lung Cancer**
Stephen V. Liu, MD

2:35 PM **Future of Immunotherapy in NSCLC: Combination Therapies and Future Approaches**
Julie R. Brahmer, MD, MSc

2:55 PM **Updates on Targeted Therapies in NSCLC**
Deepa S. Subramaniam, MD, MSc

3:15 PM **Panel Discussion**
Moderator: Giuseppe Giaccone, MD, PhD
Panelists: J. Brahmer, S. Liu, D. Subramaniam

3:35 PM **Adjourn**

REGISTRATION INFORMATION

REGISTRATION FEES

Physician	\$200
Resident/Fellow	\$35
Advanced Practice Clinician	\$100
Nurse	\$100
Allied Health Professional	\$100

ONLINE REGISTRATION PREFERRED

Please visit our secure website at <https://cme.medstarhealth.org/LungCancer> for updated program and registration information. We are unable to accept registrations or cancellations by telephone. If you wish to pay your registration fee by check, please download and print a registration form and mail it to the address on the registration form with your check.

All registrations will be confirmed by email only. Please use an email address that you check regularly. If you have questions regarding registration or do not receive an email confirmation of your registration within 1-2 business days, please contact us at medstarcme@gmail.com or 202-780-1655.

CANCELLATION POLICY

Cancellations made in writing by September 22, 2017 will be subject to a 50% penalty. No refunds will be given after September 22, 2017. Cancellations will not be accepted by telephone. In the unlikely event that the course is canceled, MedStar Health will refund the registration fee, but is not responsible for any travel costs.

Please call 202-780-1655 or email medstarcme@gmail.com if you have any questions or need any additional information.
