CONTINUING EDUCATION CREDIT INFORMATION

PROGRAM INFORMATION

MedStar Georgetown Transplant Institute is proud to be hosting the 6th Annual MedStar Georgetown Transplant Institute Symposium (MGTI 2018) on April 6, 2018. The MGTI 2018 symposium will consist of 3 track days featuring the diagnosis and management options for kidney, liver, heart, and chest surgery and management topics. These tracks include:

- Advances in Liver Diseases and Transplantation
- Current Issues in Renal and Pancreas Transplantation and Dialysis
- Intestinal Transplantation

Each track day includes opportunities for attendees to interact in an interprofessional learning environment with designated tracks on allocation system, post transplant care, managing the waiting list, and living donor transplantation. The third track, the liver track, will cover topics such as chronic liver diseases, understanding the liver transplant process, and hepatocellular cancer.

LEARNING OBJECTIVES

ADVANCES IN LIVER DISEASES AND TRANSPLANTATION

- Discuss the current management of chronic liver diseases
- Distinguish the challenges and options for personalization in hepatitis C and non-alcoholic fatty liver disease
- Recognize the importance of surveillance for hepatocellular carcinoma in patients at increased risk
- Compare the indications and contraindications for liver transplant with the goal of increasing patient access and long-term graft function

CURRENT ISSUES IN RENAL AND PANCREAS TRANSPLANTATION AND DIALYSIS

- Discuss recent advances in kidney and pancreas transplant
- Recognize factors that impact long-term outcomes in kidney and pancreas transplants
- Identify barriers to ensure timely access to transplantation and the renal pre-transplant process
- Recognize what constitutes emergency in high-risk status and how to overcome such barriers to transplantation
- Explore risk factors in kidney and pancreatic transplant patients with bronchiectasis
- Review pharmacological options to facilitate access, improve post-transplant outcomes and manage HIV infections in renal and pancreas transplant recipients
- Evaluate the challenges and explore potential solutions with regards to specific patient subsets and the pharmacotherapy of immunosuppression in renal and pancreas transplantation

UPDATES ON TRANSPLANTATION FOR CHILDREN

- Demonstrate improved management of children with hepatitis C: direct-acting antiviral (DAA) treatments, including the use of various oral antiviral combinations
- Outcomes and indications for transplanted children: particularly in relation to lung transplantation
- Explore lung transplant outcomes in pediatric intestinal transplant and the renal and vascular barriers to achieving long-term survival
- Identify intractable problems in admitted failures: excreted renal vena cava anastomosis, and their management
- Recognize breakthroughs in the management of complex vascular access and their management
- Discuss the future for aeshion and end-stage kidney care on the laminectomy transplantation of pediatric patients with renal failure
- Establish a framework for the eventual transition of care of older pediatric to adult providers

REGISTRATION INFORMATION

MAY 19, 2018
BETHESDA MARRIOTT

VENUE INFORMATION

BETHESDA MARRIOTT
3007 Tilden Street, NW, Suite 3N
Washington, DC 20008

ENROLLMENT INFORMATION

ONLINE REGISTRATION PREFERRED

FOR ALL STUDENTS AND NURSES

Resident/Fellow
$50 $90

Advanced Practice Clinician
$50 $90

Nurse
$50 $90

Allied Health Professional
$50 $90

Dietitian/Nutritionist
$50 $90

Social Worker
$50 $90

Pharmacist
$50 $90

Occupational Therapist
$50 $90

Pricing includes the following:

- Curriculum and education information
- Speaker presentations
- Course materials
- CME accreditation
- Certificate of Training

CANCELLATION POLICY

Please visit our secure website at CME.MedStarHealth.org/MGTI for updated program information. The registration deadline is March 30, 2018. Please print a registration form and mail it to the address on the registration form with your check.

All registrations will be confirmed by email only. Please use an email address that you check regularly. If you have questions regarding registration or do not receive an email confirmation of your registration within 1-2 business days, please contact us at medstarcme@gmail.com.

ONLINE REGISTRATION PREFERRED

FOR PHYSICIAN THERAPISTS

An application has been made to the Accreditation Council on Physical Therapy for continuing education credits.

FOR DENTISTRY AND NURSES

An application has been made to the Maryland Board of Physical Therapy Examiners for continuing education credits.

FOR OCCUPATIONAL THERAPISTS

An application has been made to the Commission on Dietetic Registration for continuing education credits.
## AGENDA

### 7:30 AM - Registration and Continental Breakfast

### 8:00 AM - CURRENT ISSUES IN KIDNEY AND PANCREAS TRANSPLANTATION AND SIMULATIONS TRACK

<table>
<thead>
<tr>
<th>Time</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>8:00 AM</td>
<td>Transplant Nephrologist: Margaret M. Coakley, MSN, RN</td>
</tr>
<tr>
<td>8:05 AM</td>
<td>Moderators: Matthew Cooper, MD; Gayle M. Vranic, MD</td>
</tr>
<tr>
<td>8:10 AM</td>
<td>Discussing Delayed Graft Function: What it Means for the Patient and Provider</td>
</tr>
<tr>
<td>8:55 AM</td>
<td>Joint Use of Targeted Immunosuppression for the P atient and the Provider</td>
</tr>
<tr>
<td>9:20 AM</td>
<td>Understanding the Liver Transplant Candidate</td>
</tr>
<tr>
<td>9:45 AM</td>
<td>The Liver Transplant Candidate with Biliary Atresia</td>
</tr>
<tr>
<td>10:10 AM</td>
<td>Transplant Hepatologist: Thomas W. Faust, MD, MBE</td>
</tr>
<tr>
<td>10:35 AM</td>
<td>Break and Visit the Exhibits</td>
</tr>
</tbody>
</table>

### 9:15 AM - 11:35 AM - CHILDREN TRACK

<table>
<thead>
<tr>
<th>Time</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>9:15 AM</td>
<td>Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD</td>
</tr>
<tr>
<td>9:30 AM</td>
<td>The Winners and Losers of the New Kidney Allocation System: Alexander J. Gilbert, MD</td>
</tr>
<tr>
<td>9:45 AM</td>
<td>Managing the Wait: The Waitlist: Margaret M. Coakley, MD</td>
</tr>
<tr>
<td>10:00 AM</td>
<td>Advancing Rejection and Organ Donation: J. Paul Rosoff, MD</td>
</tr>
<tr>
<td>10:35 AM</td>
<td>Panel Discussion: Matthew Cooper, MD</td>
</tr>
<tr>
<td>11:05 AM</td>
<td>Break and Visit the Exhibits</td>
</tr>
<tr>
<td>11:20 AM</td>
<td>The Liver Transplant Candidate: Khalid M. Khan, MD</td>
</tr>
<tr>
<td>11:35 AM</td>
<td>Panel Discussion: Matthew Cooper, MD</td>
</tr>
</tbody>
</table>

### 11:45 AM - Adjourn

### 12:00 PM - Lunch and Visit the Exhibits

### 1:00 PM - ADVANCE IN LIVER DISEASES AND TRANSPLANTATION TRACK

<table>

</tr>
</tbody>
</table>

### 3:30 PM - Simultaneous Liver and Kidney Transplant: Indications and Regulations

### 3:45 PM - Transplant Planners in Pursuit of an Impossible Dream

### 4:15 PM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD

### 5:00 PM - Adjourn

### UPDATE ON TRANSPLANTATION FOR CHILDREN TRACK

### 8:00 AM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD

### 9:00 AM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD

### 10:00 AM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD

### 11:00 AM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD

### 12:00 PM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD

### 1:00 PM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD

### 2:00 PM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD

### 3:00 PM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD

### 4:00 PM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD

### 5:00 PM - Panel Discussion: Jennifer E. Verbesey, MD; Gayle M. Vranic, MD
